# Adolfo Baldizzi Ship Manifest

Adolfo is seen on the SS Suffren on 10/20/23.

His occupation is “Engineer” and his closest relative from his country of origin is listed as “Wife Mutolo Rosaria at Palermo Italy.”

- According to family lore, Adolfo was unable to attain emigration documents from the Italian government and was forced to flee to France.
- Adolfo sailed to New York from the French Port city of Le Havre on a ship called the Suffren in 1923.
- The Johnson-Reed Act is passed by Congress in 1924, severely restricting immigration from targeted nations including Italy.
- As a result of new immigration quotas, Rosaria’s family prepares falsified documents that allow her to rejoin her husband in 1925.
- The Baldizzis settle on Elizabeth Street where Josephine and Johnny are born.
